

Meet the TEACHER

about me

Welcome to 4th grade at MACS!

My name is Mrs. Robson and I am so excited for a beautiful year together filled with learning and fun. I live in Pepperell with my husband and our two children, Daisy and Emmaline. We have a dog named Gracie. I have taught 5th grade and 2nd grade. I have also worked as a reading specialist and a Montessori primary guide. I am passionate about literacy instruction and fostering a love of books and reading. I am committed to establishing an emotionally safe learning environment where all children feel safe to grow and thrive.

experience

I received my bachelor's degree in elementary and special education from Rivier University. I earned my master's degree in reading and language instruction from UMASS Lowell. I am also a trained Montessori guide. I have worked as an educator for 15 years.

things i love
