

Welcome to Pre-K!

Hi! My name is Mrs. Guerrette and I am so thrilled to begin this amazing journey with you and your child. This year will be filled with learning, discovery, and most of all, FUN! I am eager to see all of the amazing things your child will accomplish this year!

Our classroom will be a place where your child will feel loved, encouraged and safe. There will be learning through play, stories, music and art. There will also be many hands-on activities that build essential skills and spark curiosity.

We will focus on social skills, early literacy, and introduction to math concepts, all of which will stimulate a love of learning that I am confident will continue throughout their educational experience. We will work together to assist your child in growing confidence and independence.

I truly look forward to partnering with you to make this a positive and successful experience. Please do not hesitate to reach out with any questions or concerns as your open communication and support matter greatly. Let's get ready for a fun filled year of learning and growing!

Warm Wishes,
Courtney Guerrette
