

Hello First Graders and families!

My name is Mrs. Paula Babel and I will be your first grade teacher! I am so excited to meet all of you and look forward to learning together this school year! I have been an educator for 24 years and have so much to teach you. We will learn from each other as a community of respect, kindness, and cooperation.

I am a native of New Hampshire and love this state! My husband and I have two married, adult children named Corinne and Seth. I became a grandmother last November to a beautiful little girl named Amaya! We also have two pets, Remi the cat and Winni the Golden Retriever, whom we love so much.

I love to travel, garden, kayak and eat ice cream. I cannot wait to meet you and hear all about YOU!

See you soon!

Love, Mrs. Babel
