## MICRO MOMENT

We had our initial Town Hall Meeting on the first day of school. In the past, our staff have chosen the character trait that would be the focus of the month and introduced it at the meeting. This year, however, we decided to do something different. We let the students vote on the character trait they wanted to focus on. This enabled our newest Micro City citizens to experience several of the MicroSociety principals in action: "Student Voice and Choice" and "Shared Responsibility and Authority." The students voted to make kindness the focus of September.

## YEARLY GOALS

As a charter school, MACS does not receive as much funding as traditional public schools. The Board, Staff and PTO all work on fundraising efforts to make up the difference. The PTOs fundraising goal for the 19/20 school year is \$15,000.
