Regarding previous discussions:

Asking for a "PLEDGE" from families. We need to bring in ~\$20,000, therefore, \$200-\$250 per child \$500 per family will be encouraged. It must be noted that this is a voluntary pledge.

The Development Committee needs to reach out to banks and area companies for grant money and naming rights. Signs may be able to be put on the playground fence.

**Discussion regarding an administrative intern through Rivier University ended this meeting.
