

Kindergarten job description

MACS is a K-8 charter school looking to expand their program with a full time, permanent Kindergarten Teacher. MACS prides themselves on being one of the most diverse schools in NH and we are looking for dynamic and inclusive individuals to join our team!

This teacher will be able to help young children integrate into elementary school by providing them with the fundamental knowledge and skills they need to succeed. Some of their typical daily responsibilities include:

- Using games, music, artwork, films, books, computers and other tools to teach basic educational and social skills
- Using play-based learning and hands-on teaching methods
- Teaching letter recognition, phonics, numbers and awareness of nature and science
- Maintaining grades for the students and discussing progress with parents
- Integrating competencies, goals and objectives into lesson plans
- Monitoring children's interactions and nurturing cooperation and sharing
- Implement RTI within the classroom
- Experience with differentiated small group instruction
- Progress monitoring and assessment experience
- Data tracking
- Working closely with administration, staff and other teachers

NH certification in Elementary or Early childhood Education is required. Prefer applicants with 2-3 years of experience in the classroom as a lead teacher.
