2022-2023

Dear Parent(s):

Welcome to the MACS Before School Program! Here are some important dates and timelines to be aware of:

June 30: Applications open - accepted by Mail or Drop Off only (no email please), first come first served

July 31: Refunds, less registration fee, returned to families until 7/31

August 1: Registration fee and deposits are non-refundable from 8/1 forward

August 25: Registration Closes*

September 6: First day of school and Before School Program

* Registrations received after 8/25 may start the program on the *second* week of school, *if* there are openings.

The Before School Program will begin on the first day of school, September 6, 2022. **The program runs from 8:00 am - 8:45 am each school day.** You may drop off your child at the back door (upper level) at 8:00 am. We have limited space and cannot take more than **10 students** in the program. If you know you will need care in September, do NOT delay in registering or your child may be put on a wait list. Part-time slots are LIMITED.

Please note: There will be NO Before School Program on teacher workshop days when students are not in school.

The following must be included in order for registration to be complete:

- Completed Registration and Emergency Forms (included in this document)
- Immunizations and physical dated within one year of start date of program (we must have on record at school)
- Registration fee of \$50 per family AND the first and last week's tuition payment deposit. **The \$50 registration fee will be waived if your child is also enrolled in the after school care program and has already paid that registration fee.** In that case, you will only need to pay the first and last week's tuition as a deposit.

You will receive a confirmation email that you are accepted into the program. If you do not receive an email within two weeks of submitting your application, please call 603-595-7877.

YOUR ENROLLMENT WILL BE DELAYED IF:

1) Your packet arrives incomplete, or 2) you have an outstanding balance.

If there is a problem with your packet, we will call or email you. After the 3rd attempt at contacting you, and we still do not have a complete package, your child will be unenrolled from the program.
