

# Meet the Teacher

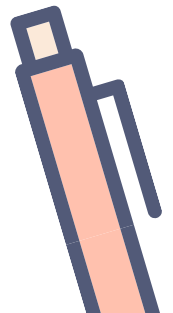

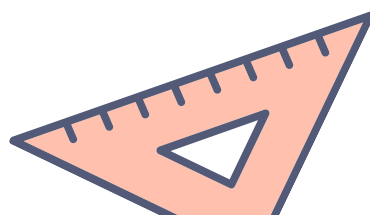

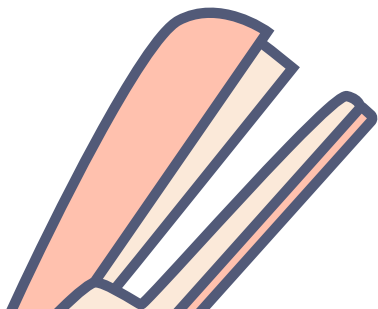

MRS. STUPCA

Hi! My name is Diana Stupca and I'm super excited to join the MACS team. I received my degree in K-8 education with a focus in math from the University of Maine at Farmington.

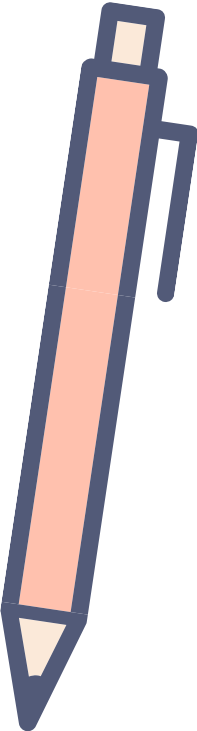

Building relationships and creating a community are at the core of my teaching method. I believe that having meaningful, relevant learning through hands-on experiences is the best way to successful learning. I enjoy kayaking, cricut-ing, and spending time with family and friends.

The most efficient way for you to contact me throughout the school year is by email at [dstupca@macsnh.org](mailto:dstupca@macsnh.org). At your earliest convenience, please email me with your name, your child's name, and your preferred form of contact, as well as any questions you might have. This is also an excellent opportunity for you to share with me anything about your child that you think would be helpful to know before the school year begins.

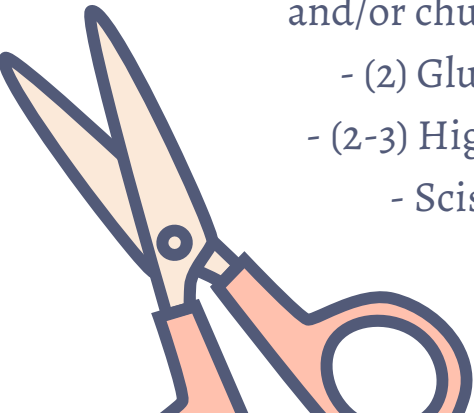

# CLASSROOM SUPPLIES!

## For Individual Use

- 
- Backpack for daily use - please label with child's name
  - Pair of headphones/earbuds (no Bluetooth + keep at school)
    - Take-home folder (plastic)
    - (2) Folders (for math and writing)
  - Red pocket folder with brads/fasteners (for micro)
    - (2) Spiral notebooks (for math and writing)
