Susannah Williams, Assistant Director

Development Committee Minutes

Members Present: Suzanne Barkley, Amy Bottomley, Ryan Callahan

The Development Committee met virtually on Thursday, August 25, 2022. Focus of meeting was the MACS Inaugural Golf Scramble event at Sky Meadows on October 11, 2022. Ryan presented the communication pamphlet he created for the event. Amy presented a promotional gift option for the golfers' swag bags, a MACS stamped golf ball with tees. Consensus for Amy to purchase. Amy will ask the parents to participate by supplying snack options. We will need 18 foursomes and 18 hole sponsors. We will need support from the general board members; play in a foursome, obtain sponsors, volunteer day of event. Ryan will create a google spreadsheet for documenting golfers and sponsors. Ryan will email this information to the general board, asking for each member to obtain at least 1 foursome or corporate donor. 2022 reason for action is the school driveway. With the expansion, MACS plans to asphalt ½ of driveway.

Next meeting committee meeting 9/9/2022, virtually 12:30-1:00 pm.

Meeting adjourned at 1:10 pm.
