

Director Report

September 2022

“Relate. Connect. Understand”

“Micro” Moment:

MicroCity is excited to start a school year in typical Micro fashion for the first time in a few years! Students interested in holding a government office this year are already signing up for campaigning 101. Elections for our new government officials’ will happen in the last week of September. We have 100 NEW students at MACS this year, which means there’s a lot of excitement buzzing around MircoCity! Our new students have already learned all about the MiroCity society and are enjoying becoming citizens with their sites set on the job fair.

Enrollment Numbers (as of 9/12/22):

K - 35	5th - 48
1st - 37	6th- 16
2nd- 44	7th- 21
3rd - 41	8th- 10
4th - 46	

Total : 298

Upcoming/Recent Happenings at MACS:

The first day of school has come and gone with a record number of students at MACS! Classroom time the first week was spent on team building and class expectations. We are excited to bring the love of Micro to so many new students that have joined MACS this year!

Picture day is September 20th/21st with a rain date of September 22nd. Pictures are taken by Cali Photography and are taken outdoors. All orders will be placed online this year. More details to follow soon!

I also welcome stakeholders to visit the Directors Page on the school website for the School’s Annual Report. <https://www.macsnh.org/director-updates-annual-reports/> Included in the report is school wide statistical data and other DOE reporting requirements.

September 22nd will be the MACS Open House (a parent only event) and will be held in person at the school this year. Open House provides an opportunity for parents to meet their child's teachers and hear about expectations for the upcoming year. New to MACS parents will be invited to attend an administration information session. This will be a time to learn about important school policies/ procedures and an opportunity to meet the administrative team. Classroom teachers will be in contact with families with more detailed information about the Open House in the near future.

The Walk-A-Thon is an annual MACS Fundraiser that promotes healthy, active living. Teachers will guide their students to Mine Falls on the morning of October 6th where they will walk a minimum of 1 mile as a class. Walk-a-thon information and envelopes will be distributed to students in the next couple of weeks. Volunteer sign-ups will be coming soon. Please reach out to Anjali Longan with any questions.

We will be hosting our whole school "Welcome Back" event on the afternoon of September 23rd. This will be held outdoors at Stellos Stadium. Student speeches from our hopeful presidential candidates will occur this day, along with a guest magician show and the Kona Ice truck.

MicroSociety Update:

In typical Micro fashion, students will be attending their academy lessons as we continue to plan for the year ahead. Campaigning 101, Management 101, and Law School will be offered to those students interested in management level positions. All other students will conduct resume writing and gearing up for an interview at our upcoming job fair.

MACS PTO Update:

The first PTO meeting will be held via zoom on September 21st at 2:00pm. Anyone interested in attending should email Anjali Longan (alongan@macsnh.org) for the meeting link.

Building Update:

The MACS administration has worked overtime this summer to prepare the new modular addition and all of our building facilities to ensure a safe return for all faculty and students. We are still waiting on a confirmed installation date for the new playground equipment. Students have been extremely patient waiting for the new playground to open! Unfortunately, at this time, we don't have a timeline as to when it will be done.

Respectfully Submitted,
Amy Bottomley
Executive Director
