

Elementary job description

MACS is a K-8 charter school looking to expand their program with full time, permanent Elementary Teacher. MACS prides themselves on being one of the most diverse schools in NH and we are looking for dynamic and inclusive individuals to join our team!

Current anticipated openings in K-5th. Some typical daily responsibilities include:

- Responsible for teaching various subjects such as reading, vocabulary, math, science, and social studies.
- Maintaining grades for the students and discussing progress with parents
- Communicating effectively in writing and verbally to parents and other stakeholders
- Overseeing the emotional and social development of the students.
- Able to utilize hands-on teaching methods
- Integrating competencies, goals and objectives into lesson plans
- Monitoring children's interactions and nurturing cooperation, kindness and empathy
- Implement RTI within the classroom
- Experience with differentiated small group instruction
- Progress monitoring and assessment experience
- Data tracking
- Working closely with administration, staff and other teachers

NH certification in Elementary K-6 or K-8 is preferred. Applicants with 2-3 years of experience in the classroom is desirable, but not required
