

# Meet the Teacher

## Welcome to 3rd Grade at MACS!

Hi there! My name is Ms. Champagne, and I am so excited to be your teacher this year! I can't wait to meet and get to know all of my students as we go into the new year!

## Contact

The best way for you to contact me throughout this school year is by email at [gchampagne@macsnh.org](mailto:gchampagne@macsnh.org). At your earliest convenience, please email me with your name, your child's name and your preferred form of contact, as well as any questions you may have. This is also a great opportunity for you to share with me anything about your child that you think can be helpful for me to know before our school year begins.

## About Me

I'd love to tell you a few things about myself. I love to craft, cook, and especially love reading. Ever since I was young teaching has been my passion and my dream and I'm so excited to be pursuing it! Building relationships and a safe space in my classroom is extremely important to me. In order for students to get the most out of their learning and time in school, creating hands on activities and allowing students to partake in meaningful experiences will only benefit their learning. This is something I plan to do and is also the core of the MACS mission.

**Sincerely, Ms. Champagne**
