

Welcome

Dear Families,

My name is Ms. Fasano and I am SO excited to be your child's kindergarten teacher! This is my 5th year teaching, and I am so excited to be here at MACS. I graduated from Rivier University in May of 2020 with my B.A. in Early Childhood Education. In August of 2022, I graduated with my M.Ed in Curriculum and Instruction from Southern New Hampshire University. I am thrilled to welcome a new group of students for the 2024-2025 school year!

My main goal as an educator is to create a warm and welcoming environment for my students that supports their learning, and build a strong sense of community. I thrive on building relationships with each of my students so that we can build a classroom family to help us thrive!

When I am not teaching, I love to spend time with my family, my two cats Lilo and Stitch, and my friends. I love going to concerts, crafting, and shopping at Target, Marshall's, or TJMaxx. My favorite animal is a penguin, my favorite color is aqua blue, my favorite drink is Starbucks coffee, and my favorite food is pasta!

I am very excited and eager for this school year and to work alongside you to have the most successful school year possible.

*Sincerely,
Ms. Fasano*
