

Dear Families,

Welcome to MicroSociety Academy Charter School! My name is Miss Sullivan and I will be your child's kindergarten teacher for the 2024-2025 school year. I can't wait to meet all of you! This will be an exciting year filled with lots of new friends, adventures, and learning.

I graduated from Southern New Hampshire University with my B.A. in Elementary Education. As part of my degree program, I obtained field experience in many elementary schools and a daycare center. I have experience working with ages ranging from infant to first grade. This will be my second-year teaching Kindergarten at MACS!

When I am not in the classroom, I love to travel, work out, go to the beach, and spend time with family and friends. Fun facts about me are: I've wanted to be a kindergarten teacher ever since I was six years old, my favorite food is pasta, I love to travel to Cape Cod, I am the oldest of three siblings, and my favorite color is blue.

Enjoy the rest of your summer!

Sincerely,  
*Miss Sullivan*
