

WELCOME to Kindergarten

Welcome to MACS! My name is Mrs. Perry, and I am honored to be your child's kindergarten teacher. I am so excited to begin this journey with you and your child as we start a year full of learning, discovery, and growth.

This is my fourth year teaching and my first year at MACS. My family and I recently moved here from Oklahoma, and we are enjoying our new surroundings and getting to know this wonderful community. I've been married for 10 years, and we have two boys—Dax, who is 8 years old, and Hux, who is 5.

As an educator, my goal is to create a classroom environment that is safe, welcoming, and encouraging for every student. I believe that young children learn best through play, exploration, and positive relationships. My aim is to nurture a love for learning in each child while helping them develop important academic, social, and emotional skills that will set them up for success throughout their school years.

Kindergarten is a time of tremendous growth, and I look forward to working together with you to support your child's learning. I truly believe that the home-school connection is essential, and I am always here to partner with you in making this a fantastic year.

Thank you for the opportunity to be a part of your child's kindergarten experience. I can't wait to get to know your family and make this year one to remember!

Warmly,

Mrs. Perry
