

Dear Parents and Students,

I am so excited to be joining MACS as your Second-Grade teacher this year. I graduated with my degree in Early Childhood Education in the spring of 2002. I then taught a year in PreK and a year in kindergarten before choosing to stay at home to raise my children. In 2023 when we moved from Ohio to New Hampshire, I reentered full time work. I started with PreK again at the Merrimack YMCA, and then last year I taught Kindergarten at Gossler Park in Manchester. Having had opportunity to take the state offered LETRS Training which focuses on the Science of Reading, I am thrilled to be working with second graders this year as they put lots of time and energy into reading and writing.

When I'm not at school, I enjoy taking walks with my husband and my dog Blazer or drinking unsweet iced tea and eating chocolate chip cookies. ☺

If you have any questions or concerns or just want to chat, please know that I am available. I can be reached at apavlic@macsnh.org or through our school portal.

Sincerely,

Amanda Pavlic

Attached to this letter you will find:

- Our daily schedule
- Information on UFLI- our new phonics program at MACS
